

Re: Docket# 98N-1038, "Irradiation in the Production, Processing, and Handling of Food."

I want the FDA to continue prominent labeling of food that has been treated with irradiation. The label should be conspicuous and include the logo for irradiation.

Your Signature: Nan Stone

Additional comments: I am really upset with the FDA - many of us go to a lot of trouble to take care of our health & the FDA makes it harder!
